**Thursday**  
**April 4th, 2024**  
**3:00pm to 5:30pm**

The URI Calc-Bowl is a lively playoff competition between teams to test the teams' math knowledge. Pre-calculus and calculus questions are presented in multiple-choice format.

There will be 10-12 teams consisting of three to five members. One multiple-choice problem will be presented at a time. The first team to buzz in gets to answer the problem. There will be several rounds of play and a final playoff round for first place.

- ◆ **High School Calculus Students are Welcome!**
- ◆ **Refreshments for all! Certificates and prizes for top places.**

ONLINE OPEN REGISTRATION STARTS FRIDAY, MARCH 1ST AT:
